

**magazine
issue 01**

Coming soon!

A student magazine looking for contributors If you are a writer, photographer, illustrator, or want to participate in the coming-to-life of a non-fiction magazine, consider this a "GO-FOR-IT" sign.

Class assignments, personal projects, or fresh story ideas are welcome as long as there is a distinct human voice behind them.

We count on your vivid language, unique perspective, and genuine passion to captivate the reader.

For more information, send an email to Bilyana Spasova (bbs240@aubg.edu).
